

JOHN LYE

LIVE LOOPING SINGER-GUITARIST

EMCEE / HOST

About John

John Lye is one of the most versatile Singaporean performers we know with more than 10 years of performing experience under his belt. A live looping singer-guitarist and emcee, he charms audiences with a wide vocal range and solid guitar skills, switching effortlessly from heavy old school rock ballads of Journey and Bon Jovi to classics from Sinatra and Nat King Cole. John has toured at popular night spots in Glasgow, London and Dublin and headlined Xmas Eve 2012 at the Esplanade Concourse, and has also performed in the New Year's Eve Celebration @ Esplanade Outdoor Theatre as part of the Marina Bay Countdown Celebrations.

When he is not playing the guitar and/or singing, he also hosts at weddings and private events upon request by Clients who has seen his engagement style. He has since hosted D&Ds for established organisations such as UBS, Keppel Corporation and the Scaffolding Association of Singapore, just to name a few.

What started as a passion, he records and produces materials with other Singapore artistes and also dabbles in sound engineering.

He is certified to handle complex digital mixers such as the MIDAS M32/M32R and is adept with usage of Logic Pro X, Adobe Creative Suite, and more.
